Dear Harvinder

I thank you for conducting the mediation for my client regarding the boundary dispute which had been going on for some seven years. After all this time we were able to reach a settlement with which both sides felt they had had some success, and therefore saved face, which negated the necessity for a very expensive two to three day trial.

My clients and I found you to be professional throughout the whole process and were very pleased with your interpretation skills and the way in which you set out what the alternatives were to achieve settlement. My clients were pleased with the outcome, did not feel browbeaten in anyway which I have seen in other mediations, and are therefore happy with the result and very pleased that they can lay this matter to rest, particularly in view of Mr [redacted] health.

Thank you very much indeed for your assistance. I would not hesitate to recommend you to other lawyers.

Kind regards.

Yours sincerely

Elizabeth Spence
